In cycle 1, the students' result show 26 students' can pass from this test with percentage 83.87%. Based on students score was cycle one was better than the pre cycle. There were

32.26% improvement of the students' score. Improving students' vocabulary mastery using Wondershare Quiz Creator was successful.

5.2   Suggestion

Based on the findings in this research, there are several suggestions offered for the English teachers, the students and the future researchers. The researchers' suggestions are as follows;

5.2.1   For English Teacher

The teacher plays many important roles in teaching learning process in the classroom. The teacher should have the ability to carry out a supportive and interesting environment in the classroom, in order to help students understanding and practicing the materials easier. Wondershare Quiz Creator can be an alternative in teaching vocabulary mastery. So the students will not find difficulties in getting vocabulary.

And the teacher should give more practices, such as vocabulary building. This is very useful to enrich students' mastery of English.

5.2.2   For Students

The students have to improve their knowledge, they can enrich their English from other sources like English learning application, or other site, etc. And they can read English book to enrich their English skills.

5.2.3 For Next Researcher

For the next researcher, the researcher have suggestion this activity should be conducted in other schools to get the wider generalization of the result. The researcher also hopes that there will be many researcher who explore and use Wondershare Quiz Creator in teaching learning process especially in teaching English.
