

CHAPTER V

CONCLUSION AND SUGGESTION

In this chapter consist of conclusion of this research and suggestion. The conclusion based on the research findings and the suggestion for the next researcher who want to conduct similar research.

A. Conclusion

This research is conducted to identify face threatening act performed by the main character of *Deepwater Horizon* movie. Here, FTAs had been founded in the conversation between the main characters. The FTA were performed by the main characters had threatened the hearers' face on positive and negative face. The acts which able to damages the positive face that found were insult, disapproval, criticism, and contradiction. Meanwhile, the acts which able to damages the negative face were order, threat, warning, and suggestion.

Based on the characteristics of Mike Williams, the researcher concluded that Mike Williams doing suggestion frequently because he is a person who has a good attitude to others characters but sometimes he could not understand other people feelings, he just said what he wants to say.

B. Suggestions

The researcher suggest to the next researcher to use Brown and Levincon's theory studying politeness from different language besides English, for example politeness in Bahasa Indonesia. The next researcher can compares the difference of strategies of doing FTAs between English and Bahasa Indonesia based on the culture. Hopefully, this research can make the readers more understand the concept of FTAs.
