## ABSTRACT

Sholikhah, Nurul Farikhatus. 2017. *Apology Strategies Used by Male and Female of MTI's students (Media Teaching of Islam) at Gading Mangu Boarding School, Jombang*, English Department, Faculty of Education, State College for Islamic Studies (STAIN) Kediri. Advisors: Burhanuddin Syaifullah, M.Ed and Choithibul Umam, M. Pd.

Key Words: Apology Strategies, Gender Differences

Study of politeness is very important for English Learner, because successful communication is possible when they used the right way of communication that seems in how their face and words in keeping the interlocutor face's want, especially when they make a mistake, and how is their face and word in the way of apologizing. In this case the way male and female communicate is often different, because their natural character. The aim of this study is to investigate the apology strategies used by male and female students and the act of apologizing used by male and female students in order to find out whether there are similarities and differences between them, and what is the most frequent apology strategies used by them.

Population of this research is 200 students of MTI's (Media Teaching of Islam) member in Gading Mangu Boarding School at Perak, Jombang. While the sample of this research is 60 students of MTI's (Media Teaching of Islam) that consist of 30 male students and 30 female students. Sampling technique used in this research is proportional random sampling. The research conducted by distributing the DCT (Discourse Completion Test) which consist of 10 conditions that may respondents face in their daily communication and need to use apology strategies in that conditions.

Result of this research revealed that the apology strategies used by the respondents are IFID, EXPL, RESP, REPR, FORB and No Apology. The result also shows that the use of apology strategies between male and female is almost the same because they used five apology strategies and in the same rank, except in the use of 'no apology' and male used 'no apology' more than female. And the most frequent apology strategies used by the male and female respondents is EXPL and REPR, while the least apology strategies used by them is RESP.

## DEDICATION SHEET

This thesis is dedicated to:

- ✚ My beloved parents Moh. Wahyudin and Ning Ihtiyati as the best parent, who always motivate and pray for me in all of my condition. All of my siblings who always support me, and pray for our goodness. Thank you so much, I love you all.
- ✚ My girl squad, my beloved faking's family in (sister Defilia, Sister Nur Jannah, Kiki, Rose) who always accompany me, support me when I am down, help me when I need lot of help, keep on fire in everything I do and never leave me alone. Thank you so much.
- ✚ My sincerely advisors, Mr. Burhan and Mr. Chothib who always give me advice and support until I can finish my thesis. Thank you
- ✚ All of my lecturers of STAIN Kediri who have given me knowledge and guidance. Thank you
- ✚ All of my best friends which I cannot mention one by one who always give me happiness in every time, who always listen my story, and who always give me some advices. Thank you

## ACKNOWLEDGEMENTS

Bismillahirrahmanirrahim

All praise belongs to Allah SWT, the most merciful and the most gracious who has guided me to finish my thesis entitled “Apology Strategies Used By Male And Female Of Mti’s (Media Teaching Of Islam) Students At Gading Mangu Boarding School”. Then, sholawat and salam are delivered to the Prophet Muhammad SAW, who has guided his followers to the right path namely Islam.

In this occasion, I would like to express his profound gratitude to:

1. Dr. Nur Chamid, M.M, as the principle of STAIN Kediri.
2. Dr. H. Ali Anwar, M.Ag., as the chief of Education Faculty of STAIN Kediri.
3. Burhanuddin Syaifullah M.Ed, and Chothibul Umam M.Pd as my advisors.
4. All staffs and the lecturers of STAIN Kediri.
5. My parents and my families.
6. My girl squad, beloved faking’s family
7. MTI students and staff of Gading Mangu Boarding School

Eventually, I realize that this thesis needs constructive criticism and suggestion to be remarkable research. Then, hopefully it can be useful to the further researcher.

## ABSTRACT

Sholikhah, Nurul Farikhatus. 2017. *Apology Strategies Used by Male and Female of MTI's students (Media Teaching of Islam) at Gading Mangu Boarding School*, Jombang, English Department, Faculty of Education, State College for Islamic Studies (STAIN) Kediri. Advisors: Burhanuddin Syaifullah, M.Ed and Choithibul Umam, M. Pd.

Key Words: Apology Strategies, Gender Differences

Study of politeness is very important for English Learner, because successful communication is possible when they used the right way of communication that seems in how their face and words in keeping the interlocutor face's want, especially when they make a mistake, and how is their face and word in the way of apologizing. In this case the way male and female communicate is often different, because their natural character. The aim of this study is to investigate the apology strategies used by male and female students and the act of apologizing used by male and female students in order to find out whether there are similarities and differences between them, and what is the most frequent apology strategies used by them.

This study used qualitative method with the population for about 200 students of MTI's (Media Teaching of Islam) member at Gading Mangu Boarding School in Perak, Jombang. While the sample of this research is 60 students of MTI's (Media Teaching of Islam) that consist of 30 male students and 30 female students. Sampling technique used in this research is proportional random sampling. The research conducted by distributing the DCT (Discourse Completion Test) which consist of 10 conditions that may respondents face in their daily communication and need to use apology strategies in that conditions.

Result of this research revealed that the apology strategies used by the respondents are IFID (Illocutionary Force Indicating Devises, or an expression of apology), EXPL (An explanation or account of the situation), RESP (An acknowledgment of responsibility), REPR (An offer of repair), FORB (Promise of forbearance) and No Apology. The result also shows that the use of apology strategies between male and female is almost the same because they used five apology strategies and in the same rank, except in the use of 'no apology' and male used 'no apology' more than female. And the most frequent apology strategies used by the male and female respondents is EXPL and REPR, while the least apology strategies used by them is RESP.
