G2 : Christmas when in England no time but (???) almost every year and France white Christmas so over there

A : How do people there celebrate the Christmas?

G2 : The spirit of Christmas is two month of people getting (???) two month of people making special food there the common cake it takes two month to make it

A : Take two month how the taste?

G2 : The taste is good

A : In the refrigerator

G2 : No outside

A : Outside is it good?

the child very well //

A : // (5.6) Marry is the mother

G1 : Yes mother

A : So marry Christmas //

G1 : // (5.4) no it is different

to seven seven eight triple five or you can send the message to zero eight  
one five five six two four four four four. And Lia if you want try again  
to please dialed to seven seven eight triple five or may be the other  
listeners the most important thing that you can practice and also can ask

about Christmas to Mr Don also Mr Wise who accompany us until nine pm. Well BES listeners still on Bonansa English Show. We will break for a while and don't move your chance after the following commercial break we will comeback to meet you again on Bonansa English Show of course

----- Break -----

A : One o five point one Bonansa FM you are still on Bonansa English Show and I'm Yulfa Savitri still accompany by two guests this evening Mr Don Bosco and Mr Agung Wicaksono or Mr Wise. We still accompany you until nine pm and now thirty four minutes left eight pm until nine pm and it means we still have more then twenty five minutes before we finish this program. You can join with us on Bonansa English Show please dialed or you can send the message to zero eight one five five six two four four four four and our topic is about Christmas day. We know that today December twenty fifth all of Christian around the world celebrate Christmas day. Oke we wait for your joining in this program and we have the next message it is from Rosa in SMA seven. She has two questions to Mr Don. Oke the first is do you also have pohon natal //

G2 : // (5.4) Christmas tree

A : She writes pohon natal Christmas tree and do you also change your prizes among the member of your family ya because the movie about the

Christmas like ceremony like changing prize and also Christmas tree is it right. It is from Rosalia in SMA seven. Oke Mr Don please answer

G1 : Oke thank you Rosa where do you live Rosa?

A : There is no address just a school

G1 : Oke about Christmas tree. Christmas tree actually at home but if you have that's matter just enjoy it but the important to think about the both of the yes us class is better as I said the humble life the simplicity the stable we say in Indonesia kandang binatang //

A : // (5.4) Is it cage? Oh no cage in the board

G1 : Stable it is symbolize simplicity and also..it is of course in my alone because my child my daughter said it is not important to have it but we do also what called //

A : // (5.3) prize

G1 : The stable because about change the prize only for youngest //

A : // (5.6) not for adult

G1 : My daughter //

A : // (5.6) Oke do you buy the prize to her?

G1 : Of course

A : Special prize

G1 : The prize //

A : // (5.3) Is it tradition?

G1 : yes tradition

A : Tradition //

G1 : // (5.4) Actually not tradition but my one friendly move the only. Its not obligation //

A : // (5.3) But its not obligation to make Christmas day more cheer..and we can ask to Mr Agung especially in London //

G2 : // (5.3) well differently prize must in England people just to show to care each other to keep each other

A : oh keep each other //

G2 : // (5.3) family for give kind of thing and this prizes a much. This is not chronology of the Christmas that children put the stocking until stocking hanging in the bag and prepare the food for the Christmas and little factual and the bread so the bread for Christmas for the Christmas the prize put under the Christmas tree and will put some snack small choice in their stocking so in the morning they can open their stocking first and then go to the church after the church they go back to their house open the prizen while waiting for the big Christmas for lunch while Christmas go to their grandma usually they (???) clock the queen and then after that they have big lunch but it's different in when you said people always celebrate Christmas twenty fifth of December no mbak yulfa. To celebrate in some area ya but not in certain area so not ever always twenty fifth December //

A : // (5.6) Why is it different?

G2 : because they have different idea about Yesus born in Christmas..And about the food in England important everywhere. Turkey not important because not important Poland kind of traditional food //

G1 : // (5.6) But Christmas tree?

G2 : Christmas tree like you told me before the stable is not the must but the Christmas tree the top important the top of Christmas tree you have to put an angel or star this very-very important so all be co ration is not real is not really meaningful an angel star in the top of the tree before the first day of January because of you until bad luck that's believe //

A : // (5.6) that's believe and is there someone broke //

G2 : // (5.3) got something? No making a joke no each other remember they have and also government usually because they have big tree //

A : // (5.6) Tell us the deadline of Christmas tree

G2 : very very organize //

A : // (5.6) so still the significant differences according to you?

G2 : ya the spirit of Christmas day oh ya I can say really see spirit of Christmas is in church or you go big mall and you can see about Christmas every England everywhere the you can see people talking about that the people

A : That's very special day..oke we have another message..but I don't know this evening only message. We invite to your voice BES listener please dialed seven seven eight triple five but its oke there are some message

It means that Yes us Kris us born on the stable and the stable prize the human who believe chin the simplicity a said tolerance and also not to..not to what's called. We appreciate the rich people but our help

what's called our I am..must be used for social dimension and when we must remember still many many people..our brother who live in very very..//

A : // (5.3) poor condition

G1 : poor condition to increase our warns about..//

A : // (5.3) property

G1 : Property //

A : // (5.2) Oke How about special ritual?

G1 : We say like that. That's true at that moment on the television use green Christmas now. Green Christmas we can use it

G2 : Well this is kind of dilemma but in nice way again Christmas tree as long as you grow the tree. it doesn't matter if you. The most important think you must to grow it again //

A : // (5.6) Is it take long time to grow it?

G2 : Ya mbak Yulfa (???) don't in the bottom not until the root but (???) its oke //

A : // (5.2) Mr Don have you any opinion?

A : Oh from plastic. Is it have different spirit for it but I think the real spirit not from the tree from our deepest heart //

G2 : // (5.3) I would like my heart if on the real tree

A : Oke the plastic one because the imitation. Rina in Gurah do you have cemara tree making Christmas? Can it is from another tree which has green too why must cemara in English why not other example

G2 : Oke its according to the history green tree..because. There are a section only the one of the important because the calm that's why green tree. Ya if only the history from Indonesia so not cemara tree may be the other //

A : // (5.2) Oke How about Mr Don?

G1 : I think so..same

A : The same idea with Mr Wise..Ya time is up because now the time show at nine o'clock and we answer the message and also from the caller but

before we say good bay to the listeners still have something to as finishing in touch. I like it Mr Don first

G1 : If you say celebrating as like the same is nice food, sing its only the second aspect but the first aspect is that of the Christmas is the humble and remember to the poor not only also have them in our life us only from me

A : How about Mr Wise?

G2 : Oke I would like say marry Christmas to all and hopely the God blessing around us bring peace and get better well //
