

CHAPTER V

CONCLUSION AND SUGGESRTION

This chapter focused on conclusion and suggestion. The conclusion based on analyzing the data and the statement of problem research. The suggestion a given to other next researchers in doing similar research.

A. Conclusion

Slang word born among young people who want to something new and slang. Slang itself is informal language used in a particular group. Informal language is often used when they communicate with one another. There are many ways to learn slang, especially in seeing the film. Some people have a hobby of watching movies but sometimes some of them do not understand what language is used in the film. This study found slang word contained in the movie Baby Boss. There are many slang used in the film Boss Baby Movie Directed by Tom McGrath and written by Michael McCullers.

Based on the text contained in the film, there are four types of slang used in the Boss Baby movie. Using kind of slang that can be classified into Cockney slang, public house slang, slang society, and commerce slang. Cockney kind of slang such as Nope, Nice call, and Blow it. Type public house slang such as Buddy, Bummer, Guys, jaywalking, Had a fit, Kid, Toast, Heads up, On it, great, Mommy. The kind of society slang such as Awfully, Gotcha, Swetie, Dig babies, Okie dokie. The last is Commerce slang as CEO

and DOB. The researcher has found the most dominant slang words are is Public House Slang rather than others because have 11 slang words.

There many dictionaries used in the search for the meaning of every slang, like a modern dictionary of American slang, NTC's dictionary of American Slang and Expression, Urban Thesaurus, and thesis reference.

B. Suggestion

In this study, researchers hope that everyone interested weeks to analyze slang and joined the group that uses slang to improving understanding and their knowledge of slang.

For teachers, the current slang language has become a trend among teenagers. This makes it easy for teachers when teaching in the classroom for every teenage boy who want to look for something new.

For students should know and understand about slang. There are many ways to know and understand slang like seeing a movie, reading a comic book, or a particular with joining a group.

For readers, as people may use slang language slang but had to put it in place.
