

SUGGESTION 50

REFERENCES 52

APPENDICES

1. Summary of background of the research project, objectives of the study, scope of the study, and definition of the terms used in the study.

2. Statement of the problem.

3. Statement of the purpose of the study.

4. Statement of the hypotheses.

5. Statement of the significance of the study.

6. Statement of the delimitation of the study.

7. Statement of the definition of the terms used in the study.

8. Statement of the operational definition of the terms used in the study.

9. Statement of the theoretical framework of the study.

10. Statement of the conceptual framework of the study.

11. Statement of the research design.

12. Statement of the research instrument.

13. Statement of the data collection procedure.

14. Statement of the data analysis procedure.

15. Statement of the ethical considerations.

16. Statement of the limitations of the study.

17. Statement of the conclusion.

18. Statement of the recommendation.

19. Statement of the implication of the study.

20. Statement of the contribution of the study.
