

## **CHAPTER V**

### **CONCLUSION AND SUGGESTION**

This chapter is the last chapter of this research. This chapter presents some conclusions of the data that has been discussed in the previous chapter. Besides, the researcher tries to give some suggestions related to the result of the analysis. This study is conducted to the maxims of the movie entitled the Miracle Worker.

#### **A. Conclusion**

After discussing the movie entitled the Miracle Worker in chapter IV the researcher gives the conclusion about the thesis. The conclusions are the following: The researcher identifies types of maxims which is divided into four categories. The researcher calls these categories as the maxim of quantity, the maxim of quality, maxim of relation, and maxim of manner. It has been fulfilled. It consists of 14 conversation: maxim of quality 3, maxim of quantity 4, maxim of relation 4, maxim of manner 3. The researcher also found a violation of the maxims, but in this research, she only found two violations of the maxim that used by the main character of the Miracle Worker movie those are violation of quantity maxim and violation of relation maxim.

#### **B. Suggestion**

Maxim is a branch of pragmatic that interested to be analyzed. This research which focuses on the maxim cannot explain about the cooperative principle in depth because of the researcher who imperfection. Hopefully,

the next researcher will learn from the lack of this research and can analyze the other object of the study. The next researcher also can compare Grice's theory among other theories.
