ABSTRACT

SUNSI'QOH, FITRIA,IIN, 2013. *The Effect of Puberty to the Jenny's Attitude Change on study in An Education Movie*. Thesis, English Department, Faculty of Education, The State College for Islamic Studies (STAIN) Kediri. Advisors: (1) Dr. Mukhammad Abdullah, M.Ag, (2) Dra. Nurul 'Ain, M.Pd.

Key Words: Personality, effect puberty and the Way

Education is important in our life, and there are many ways to get better education. Not easy to get better education, because need hard work. And the most important thing to reach better education is study hard. An Education movie is written by Nick Homby and Lynn Barber, directed by Lone Sceherfig. This movie is very interesting because and have moral message. And this research focuses on personalities of main character, the effect of puberty and the way to get better education.

The researcher uses descriptive qualitative as a research design. The instrument of this research is the researcher herself. *An Education* is the objective of this study, it also becomes the primary data source and secondary data source the researcher use some books that relates to the study. The objective approach and psychological approach are used to become the approach of the study. Theory Triangulation is use to check the validity data.

The personality of Jenny as main character in this movie is smart, firm, temperamental, and brave. And the effect of puberty to the Jenny's life is against her teacher and falling in love with other man. The way of Jenny to reach better education is study hard. This way that done by Jenny can make her become a successful person. Study hard is the key to get success in our life, because with study hard and seriously Jenny can study in the Oxford University.
