Doing a research and writing a thesis are the final journey of a student of an undergraduate program to fulfill the degree of *Sarjana*. This becomes the final report of the all times spent to join the lectures for four years or more. The thesis is also a very important assignment to prove the researcher's understanding of the whole lectures. Thus, the researcher does the research under the title "*The Javanese Culturally Bound Aspects Found in The "Java Heat" Movie*".

After finishing the research for three months, the researcher wants to thank to parents, advisors, and investigator to help the researcher does this research. The researcher also wants to thank for all advices given, thus the researcher can do the researcher well and get a precious thesis. Furthermore, the researcher also thanks to God that is the owner and the creator of everything to give all *rahmat* and *barokah* to finish this research.

Finally, the researcher hopes that this research can give motivation and inspiration to all people concerning on the Javanese cultural studies. The researcher also hopes that there will be more researches on the Javanese culture, thus it will not disappear through the modern and globalization era. The last, the researcher hopes that there will be many articles discussing the Javanese culture; hence, the Javanese culture can be learnt easily by more people in the world.

ABSTRACT

Khuluqina, Ahsin. 2013. *The Javanese Culturally Bound Aspects Found in The "Java Heat" Movie*. Thesis, English Education Department, Undergraduate Program, State College for Islamic Studies (STAIN) Kediri. Advisors: (I) Drs. FathorRosyid, (II) Bahruddin, S.S., M.Pd.

Key Words: Javanese Cultural Bound, "Java Heat" Movie.

The research analyzes the culturally bound aspects of the Javanese cultures found in the "Java Heat" movie. This research uses qualitative descriptive method in which the researcher focuses on the description of the data found. Moreover, this research also needs many references and an investigator that is an expert on the Javanese culture to help the researcher in analyzing the data.

The result of the research shows that the Javanese culture bound found in the "Java Heat" movie consists of clothes and the accessories, the Javanese kinesics as the Javanese etiquette, Borobudur Temple, and *Wayang*. The Javanese cultural bound found represents the philosophy of life and the position of the wearer in the society. Thus, the movie exposes the culture correctly and this can really represent the Javanese culture well.

Overall, the researcher suggests that this research can really help people learn the Javanese culture to understand well using a fun media, which is the movie. The researcher also suggests that the Javanese can understand their own culture and keep their culture not to disappear. Thus, the Javanese culture can be known all over the world and is useful for giving the philosophy of life to reach the perfection of life.
