

CHAPTER V

CONCLUSION AND SUGGESTION

This is the last chapter of this study, in which the researcher delivers the study's conclusion and recommendations based on the research findings and discussion presented in the preceding chapter.

A. Conclusion

After analyzing the data, it could be concluded that Team Game Tournament (TGT) could improve the students' reading comprehension at MTsN 3 Kota Kediri in academic year 2022/2023.

The result applied of students' reading comprehension could be seen from the increasing of students' mean based on the criteria of the success reading score That are:

1. In the Pre-test the students' mean score is 69,41 and the percentage of successful students was 35,29 % (12)
2. In the Cycle test I the students' mean score is 78,29 and the percentage of successful students was 58,82 % (20 students)
3. In the Cycle test I the students' mean score is 84,41 and the percentage of successful students was 82,29 % (29 students)

Besides that, the observation and interviews conducted by the researcher during the action showed that the students were motivated and interested to participate and actively Reading Comprehension of descriptive text material individually or with the group. The teacher's response about the implementation of team game tournament was positive and it would be an alternative technique in reading comprehension. Therefore, Team Game

Tournament ((TGT) method could improve the students' reading comprehension of descriptive text.

B. Suggestions

Based on the result of this research which indicates that the use of Team Game Tournament (TGT) could improve the students' ability at reading comprehension. Some suggestion for the teaching learning English is proposed, they are: for the English teacher, it is useful to apply Team Game Tournament (TGT) technique as one of alternative teaching and do the variation in teaching learning process so the students' do not feel bored. so that the learning material can be conveyed properly. For the students, the using of Team Game Tournament (TGT) technique can improve students' ability in Reading comprehension. It is suggested for other Researcher to use Team Game Tournament (TGT) method as one the reference in teching reading comprehension or other skill.
