

ABSTRAK

ABUKASIM PATIRAN, 2019. *“Toleransi Dan Kerukunan antar Umat Beragama di Fak-fak dalam Perspektif Al-Qur’an” (studi kasus dan pemahaman sikap toleransi dan kerukuna antar umat beragama di kabupaten fak-fak, profinsi papua barat)*, skripsi, program studi ilmu al-qur’an dan tafsir, fakultas usuluddin dan dakwah, IAIN Kediri. Pembimbing (1) Dr. A. Halil Thahir M. HI. dan Maufur M. A.

Kata kunci: Toleransi dan Kerukunan Umat Beragama.

Penelitian ini dilatarbelakangi oleh sebuah fenomena lapisan masyarakat yang akhir-akhir ini semakin mengkhawatirkan, seperti timbulnya sikap intoleran oleh para tokoh agama, pemerintah, tokoh adat yang bedampak keras pada masyarakat, dan beberapa konflik lainnya, dari permasalahan tersebut seluruh para lapisan masyarakat memiliki tugas dan peran untuk meningkatkan perilaku toleransi dan kerukunan antar umat beragama. Dalam hal ini peneliti mencoba untuk mengkaji berbagai hal dengan mendatangi beberapa pihak tokoh masyarakat baik dari tokoh agama, tokoh adat, pemerintahan, para pelajar hingga pada masyarakat sebagai konsumennya yang berperan dalam meningkatkan perilaku Islami atau menjunjung tinggi sikap toleransi dan kerukunan umat beragama di kabupaten Fak-fak.

Hasil penelitian ini mengungkapkan bahwa kehidupan kebergamaan dan pengaplikasian sikap toleransi dan kerukunan antar umat beragama masyrakat Kabupaten Fak-fak, Profinsi Papua Barat berada dalam katagori cukup baik. Hasil analisis yang peneliti lakukan di lapangan menunjukkan bahwa bahwa sikap toleransi dan kerukunan antar umat beragama pada masyrakat Fak-fak ini telah di tanamkan sejak usia dini melalui nasehat dan contoh- contoh pengaplikasian yang di praktekan secara langsung. Sehingga sikap toleransi dan kerukunan umat beragama di kabupaten fak-fak papua barat ini telah menjai tradisi dan mendara daging pada masyarakat Fak-fak Papua Barat.

ABSTRACT

ABUKASIM PATIRAN, 2019. "Inter-religious Tolerance and Harmony in the Fak-fak in the Al-Qur'an Perspective" (case study and understanding of tolerance and harmony between religious groups in Fak-fak district, West Papua Province), thesis, program study of the Qur'an and interpretations, faculties of proposals and da'wah, IAIN Kediri. Advisor (1) Dr. A. Halil Thahir M. HI. and Maufur M. A.

Keywords: Tolerance and Harmony of Religious People.

This research is motivated by a phenomenon in society that has become increasingly worrying lately, such as the emergence of intolerant attitudes by religious leaders, the government, traditional leaders who have a hard impact on society, and several other conflicts, from these problems all layers of society have duties and role to improve tolerance and harmony among religious people. In this case the researcher tries to examine various things by visiting several community leaders from religious leaders, traditional leaders, government, students to the community as consumers who play a role in increasing Islamic behavior or upholding tolerance and harmony among religious people in the district of Fak - fak.

The results of this study reveal that the life of religiousness and the application of an attitude of tolerance and harmony between the religious communities of the Fak-fak Regency, West Papua Province are in a fairly good category. The results of the analysis conducted by researchers in the field show that tolerance and harmony between religious communities in the community of Fak-Fak has been cultivated from an early age through advice and examples of applications that are practiced directly. So that the attitude of tolerance and harmony of religious people in the fak-fak regency of West Papua has enshrined tradition and upbringing of the people of the Fak-fak community of West Papua.
