CHAPTER V

CONCLUSION AND SUGGESTION

After finishing the whole steps of the Classroom Action Research (CAR) study, the researcher makes some conclusion concerning the result of this research. Furthermore, related to the conclusion the researcher also gives some suggestions.

A. Conclusion

Based on result of this Classroom Action Research (CAR) is conducted in a cycle with used snowball throwing and with the topic song lyric. The researcher concluded that student's activities for the learning process in the cycle. In this cycle, the researcher informed the based competency that will be mastered by the students, after that the researcher introduced what snowball throwing is, the researcher explained about group discussion method, then the researcher divided the students into 4 groups, after that the researcher asked the student to discuss about the topic on their own seat group, finally the researcher corrects if there is any mistakes produced by students and discuss the result together.

In the implementing a cycle has improved that involved understanding of meaning and success in playing snowball throwing and students' response with the learning process was very good. Most of the students stated pleasure with the snowball throwing, and their listening is better than before they are

taught with the snowball throwing. Students' learning result improved from the cycle. It is proved by the students' pre-test and post-test.

The average of pre-test is 57,41. The average of post-test in a cycle using snowball throwing is 84,83. The improvement result of the implementation is listening skill significantly. And the percentage of students who achieved the KKM in pre-test is 2,77%, post-test in the cycle is 94,44%. The percentage of students who achieve the KKM shows that this CAR categorized successful.

B. Suggestion

Dealing with the conclusion, the researcher would like to give some suggestion to improve English skill as follows:

1. The teacher has to motivate the students to learn English with the various models and one of them is by using snowball throwing. Because it is effective to improve students' listening skill.

2. Using game in language teaching help students to learn English as enjoyable moment.
