

CHAPTER V

CONCLUSIONS AND SUGGESTIONS

In this chapter, the writer gives the conclusion as the result of the study. After analyze the movie, the writer tries to take conclusion based on the analysis above. In addition, the writer also presenting some suggestions for the next writer who intends to do the similar.

A. Conclusion

After conducting this research, the writer has made some conclusion related to the teaching ways Annie Sullivan's to teach Helen Keller, the changes of and the problems faces by Annie Sullivan in teaching Helen Keller.

1. The teaching ways Annie Sullivan's to teach Helen Keller in "*The Miracle Worker*" movie are beginning/ introduction, direct instruction and Drill and practice. Three stage of teaching ways that Annie gift to Helen mengalami beberapa tahanan belajar oleh Helen tidak sedikit juga Annie gagal dalam memberi pengajaran namun oleh karena sifat Annie is never give sebagai seorang guru, Annie akhirnya berhasil menjalan kan teaching ways yang berpengaruh kedalam attitude Helen. Because of Annie Sullivan also have many experience in order to defendable live in the world. Finally she has taught successfully and can open helen's mindto understand everything and language.

2. The changes of Helen's attitude after having been taught by Annie Sullivan in "*The Miracle Worker*" movie. Helen's attitude divided into two stage those are before Annie's treatment and after Helen have treatment from Annie. Dua langkah tersebut mengasilkan perubahan dari sifat hen yang sebelumnya Naughty children, hyperactive children and peevish children menjadi sesosok bocah yang Obey the role, caring children and smart children. Perubahan tersebut mengalami bberapa tahanan belajar oleh Helen tidak sedikit juga Annie gagal dalam pengajaran yang berpengaruh kedalam attitude Helen. Namun oleh karena keberhasilan Annie memngajarkan Helen sesuatu yang baru, itu juga mempengaruhi perubahan attitude Helen dari bad attitude menjadi good attitude.

B. Suggestion

In this study, the writer recommends some points of suggestions. This for people who watching this movie, it is suggested to citizen any movie they watch. They get some information or message which may bring benefit to our live. Because sometime movie give us motivation and also inspiration to be better and some educates us for something useful. For the teachers, they should used by teacher especially special teacher to

know the strategy of teaching disable children beside that the researcher hopes that they will give more attention.

For children the research also can gift information to other normal children that there are some special children with special needed that they have many problem to know some and getting some knowledge. The researcher also hopes that they will give more attention and never do bullying of it.

For readers the research also can give information to readers that the disable student need some different strategy to solve the problem that face by them, it is important to know some strategy and also characters of teacher that can solve this problem.

The next researcher the result of the research also can be used by researcher as a new knowledge about children with special needed. And for the next researcher maybe they may focus in other point of the movie, for example they analysis the plot of the story, the problem from the movie.
