

AlJauhar, Muhtar Fuadi. 2018. *The Effectiveness of using Somebody Wanted But So (SWBS) Strategy in Enhancing Student's Achievement in Narrative Text Reading Comprehension.* English Department, Faculty of Education, State College for Islamic Studies. Advisors : (I) Chotibul Umam (II) Burhanudin Syaifulloh, M.Ed.

Key words : *Some Body Wanted But So* (SWBS), Reading Comprehension, Narrative Text.

The aims of this research is to find out whether there is improvement of students' reading comprehension achievement of narrative text after being taught through *Somebody Wanted But So* (SWBS) strategy. The research was conducted on the tenth grade students of MAN 5 Kediri. The sample of this research are student of class X MIA 1 which consists of 32 students and Class x MIA 2 which consists of 32 students. This sample was chosen by using random sampling.

One group Pretest Posttest was used as the design of the research. The instrument was reading test. The data were collected using test. The test was reading test in form of multiple choice with 30 items. Pretest and posttest were used to see the difference before and after being taught through *Somebody Wanted But So* (SWBS) strategy.
