MOTTO

- اِقْرَأْ بِاسْمِ رَبِّكَ الَّذِي خَلَقَ

*Proclaime! (or read)! In the name of thy Lord and cherister,
Who created*

- خَلَقَ الْإِنْسَانَ مِنْ عَلَقٍ

Created man, out of a (mere) clot of congealed blood:

- اِقْرَأْ وَرَبُّكَ الْأَكْرَمُ

*Proclaime! And thy Lord is Most
bountiful,-*

- الَّذِي عَلَّمَ بِالْقَلَمِ

He Who taught(the used of) the pen,-

- عَلَّمَ الْإِنْسَانَ مَا لَمْ يَعْلَمْ¹

*Taught man that which he
knew not.*

ABSTRACT

Anwar, Ahmad Zahrul 2015." *The Problems Faced by English Student-Teachers of STAIN Kediri in Their Teaching Practice*". English Departement of Education State Collage for Islamic Studies (STAIN) Kediri. Advisor (I) Dr. Mukhammad Abdullah. M.Ag. (II) Chothibul Umam M.Pd.

Key Words : Teaching practice, Student-teachers/Novice teachers, Teachings' Problems

Teaching practice is mainly intended to provide an opportunity for student-teachers to become a pedagogically more practical person by having a real teaching experience by observing and applying (most of) what they have learned in the teacher education program in the real classrooms with real students, teachers and curriculum. By directly teaching in the field, the student-teachers have the occassion sharpen their ability in making instructional decision and improve their teaching skill through the process of reflective practice. The term of student-teachers and novice teachers interchangeably to refer to teachers who are still new in the profession of teaching. Student-teacher is deeply concerned about knowing the situation in which he/she will work and the people with whom he or she will associate. He or she has also concern to know about the curriculum plans of school. When conducted teaching practice student-teacher get a supervisor teacher who gives guidance and evaluation for their performance in the class. The purpose of this research is to know what are the problems faced by English-students of STAIN Kediri in their teaching practice and efforts made by them to solve their problems.

The research designed in this research is descriptive qualitative. The instrument of the research is questionnaire and interview. The researcher interviews some English student- teachers who conducted teaching practice in some secondary and high schools in Kediri, Nganjuk and Blitar.

Based on questionnaire and interviews, there are some research findings in this research: from many problems related to performance aspect English student-teacher faced difficulty in their anxiety when teaching in the class, and supervisor's attendance, the problems relating to classroom management aspects English student-teachers get problems in classroom size and regulating time allocation, and in mastery of teaching strategy aspect English student-teachers get problems in applying teaching technique and giving satisfied feedback to their students. Enhancing self confidence, asking suggestion or discussion to supervisor, understanding bakground of life the students, browsing in the internet, asking friends, enjoying the situation, and more addition of teaching practice.
