

CHAPTER V

CONCLUSION AND SUGGESTION

This chapter presents the conclusion of the research finding and discussion. Moreover, it also presents the suggestions for the next researcher who wants to study about Moral values.

A. Conclusion

There are many moral values that the researcher found in the movie. Tinker Bell: Secret of the wings movie describes many moral values and social problem in human life. Especially, the movie describes moral values from character through characterization. There we will learn about the problem in the movie and we can solve it in the real life.

The researcher wants to concluded that this analysis could replied the first question in research problem. The first question about what kinds of moral values that can researcher found in Tinker Bell: Secret of the Wings movie. There are 10 moral values that is bravery, be yourself, leadership, thankfulness, cooperativeness, love and affection, wisdom, patient, forgiveness, and the last is kind-hearted.

And then the researcher also could answer the second question. The second question is about the most dominant moral values that can be found by the researcher. The most dominant moral values in Tinker Bell:Secret of the Wings movie is forgiveness. It can be be found in the table that there

are 6 frequencies. The next are thankfulness and leadership 5 frequencies, and kind-hearted and cooperativeness are 4 frequencies, next there are bravery, patient and wisdom are 2 frequencies, and the last are be yourself, love and affection, followed with 3 frequencies. Moreover, moral values followed with 3 and 2 frequencies.

By watching the movie about Tinker Bell: Secret of the wings movie. The researcher can concluded that this analysis can make us examples and we can learn about kinds of moral values that can be applied in our life. Moreover, to be a good man is we need to try to figure it out in our self. If we think is good, we should learn and do it by them. So, we have to try to be the best person as we can do in our life.

B. Suggestion

After concluding this research, the researcher would like to give suggestion. Watching movie can take some examples of moral values. And it also occurs not only in the movie but also in our daily activity.

The researcher suggests to whom are interested in studying about moral value especially in a movie, they should understand kinds of moral values and also the reasons how about their explanation. And for the next researcher, it is suggested to study more and more about moral values in order to get the better and better.
