ABSTRACT

HASBI, MOH. SYAFI'I. 2008. *The analysis on the characteristic of the main characters in Shakespeare's Macbeth*. Thesis. English Department. Faculty of Education. The State Collage for Islamic (STAIN) Kediri. Advisors: (1) Dr. Mukhamad Abdullah, M.Ag (2) Bahruddin,SS.M.Pd

Literature can be the form of poetry, short stories, novel and drama. They all are interesting to read and analyze a drama. By reading drama, the readers can enjoyable and understand about characters of the actors and also the problems which exist in story. The objective of this study is to describe the characteristic of main characters inside Macbeth drama.

The research design of this study is descriptive qualitative. The object of the research is Macbeth by William Shakespeare. There are two data as the sources in this research, they are data sources and data. The data are taken from Macbeth drama in the form of dialogue and the characteristic of main characters. There are two data sources; primary data sources which using the manuscript of Macbeth's drama in William Shakespeare and secondary data sources are biography of William Shakespeare, Main characters theory, characteristic theory and other sources which relate to this research.

The result of this study is the characteristic of main characters who has some characters, especially Macbeth who star of play. His characters are a good in the beginning of story that faithful to king but in the end his character changes. It happens because he never satisfied with his position as general army and also three witches always provokes with that she predict Macbeth will b the next king. He always hears three witches telling and always trusts that they says, although they lie to him. It is Macbeth tragedy that killing the king, he thinks it can prove his ambition being king.
