

CHAPTER V

CONCLUSION AND SUGGESTION

This chapter covers all summary of the study. The conclusion includes some findings of study, while suggestion includes researcher's recommendation after conducting the study. Those are explained as the following:

A. Conclusion

In this part, the inference of the study will be presented. There are two main things found. The first is the conclusion of psychological conflict happened to Shirin-Gol. The second is the conclusion of psychological conflict solved by mental toughness.

1. The psychological conflict, especially happen to Shirin-Gol comes into the type of Psychological Conflict theory based on Kurt Lewin. According to the research finding, there are 10 psychological conflicts of 3 categorizes. Those categorize are approach-approach conflict, approach-avoidance conflict, and avoidance-avoidance conflict.
2. The main character's psychological conflict solved by the mental toughness, especially 4C's model of MT. Those elements are control, commitment, challenge, and confidence. Each model has each two part, such as emotional control, life control, goal orientation, achievement orientation, managing risk, learning from experience, confidence in ability and the last is interpersonal confidence.

B. Suggestion

From conclusion above, the researcher wants to give some suggestion. The researcher hopes what she has written can be useful for everyone who is interested in this topic.

First, for reader, this research gives more understand things about person's mental toughness to handle psychological conflict. Hopefully it can help anyone to deal with their psychological conflict, especially in this pandemic situation.

Second, for the student, the student can use this research as reference to analyze psychological analysis in other novel. This research might be giving a new idea to some students to analyzed novel or the students can use this research to analyze another aspect in the novel Afghanistan Where God Only Comes to Weep.

Third, for the teacher or the lecturer in English Literature Department can use this research as example of analyzing a novel, especially psychological conflict. The researcher also suggest to the lecturer to introduce another fiction.

Last, for the further researcher can analyzes such as social conflict, figurative language, moral value, or other extrinsic aspects in Afghanistan Where God Only Comes To Weep novel.
