

APPENDIX

Lyric off Justin Bieber's song in the album "Justice"

1. 2 Much

Injustice anywhere is a threat to justice everywhere
Maybe I stare too much, maybe not long enough
Funny how I forget to blink
When you let down your hair, dancin' like no one's there
I know I'm where I'm supposed to be
Say, "I love you" under my breath
More times than you can digest
Music every time I hear your name, oh
Your head's layin' right on my chest
Sun's up, but I still ain't got no rest
Don't wanna close my eyes, I'm scared I'll miss too much
Don't wanna fall asleep, I'd rather fall in love
When I can't feel you, I feel out of touch
Two seconds without you's like two months
Don't wanna close my eyes, I'm scared I'll miss too much
Don't wanna fall asleep, I'd rather fall in love
'Cause eternity with you ain't long enough
Two seconds without you's like two months
And that's too much
Love the way you love your mom
Take on all your friends problems
Still somehow stop the world for us, oh-oh
I still relieve that second
I made my biggest blessing
Prayed for you, look what God has turned
Say, "I love you" under my breath
More times than you can digest
Music every time I hear your name, oh
Your head's layin' right on my chest
Sun's up, but I still ain't got no rest
Don't wanna close my eyes, I'm scared I'll miss too much
Don't wanna fall asleep, I'd rather fall in love
When I can't feel you, I feel out of touch
Two seconds without you's like two months
Don't wanna close my eyes, I'm scared I'll miss too much
Don't wanna fall asleep, I'd rather fall in love
'Cause eternity with you ain't long enough
Two seconds without you's like two months
And that's too much

2. A I am

By myself sometimes
To give my mind some space
Yeah, I know, yeah, I know that it hurts
When I push your love away, I hate myself
I wanna tell you lies
So your heart won't break
Yeah, I know, yeah, I know that I made my fair share of mistakes
Sometimes, I don't know why you love me
Sometimes, I don't know why you care
Take me with the good and the ugly
Say, "I'm not goin' anywhere"
Take me as I am, swear I'll do the best I can
Say, "I'm not goin' anywhere"
Take me as I am, swear I'll do the best I can
Say, "I'm not goin' anywhere"
Thousand miles apart, yeah, you're the one that holds my heart
It's no surprise
And I tell you all the time
And when life gets way too hard
I'll meet you in the stars, you know I will
I'll keep you near (mmm)
As I wipe away your tears (mmm), yes
Sometimes, I don't know why you love me
Sometimes, I don't know why you care
Take me with the good and the ugly
Say, "I'm not goin' anywhere"
Take me as I am, swear I'll do the best I can
Say, "I'm not goin' anywhere" (yeah, yeah)
Take me as I am, swear I'll do the best I can
Say, "I'm not goin' anywhere"
You were there for me when I was acting selfish
And you prayed for me when I was out of faith
You believed in me when ain't nobody else did
It's a miracle you didn't run away (yeah)
You were there for me when I was acting selfish
And you prayed for me when I was out of faith
You believed in me when ain't nobody else did
It's a miracle you didn't run away
Sometimes, I don't know why you love me
Sometimes, I don't know why you care
Take me, with the good and the ugly
Say, "I'm not going anywhere"

3. Holy

I hear a lot about sinners
Don't think that I'll be a saint
But I might go down to the river, uh
'Cause the way that the sky opens up when we touch
Yeah, it's makin' me say
That the way you hold me, hold me, hold me, hold me, hold me
Feels so holy, holy, holy, holy, holy
On God
Runnin' to the altar like a track star
Can't wait another second
'Cause the way you hold me, hold me, hold me, hold me, hold me
Feels so holy
I don't do well with the drama
And no, I can't stand it bein' fake
No, no, no, no, no, no-no-no
I don't believe in nirvana
But the way that we love in the night gave me life
Baby, I can't explain
That the way you hold me, hold me, hold me, hold me, hold me
Feels so holy, holy, holy, holy, holy
On God
Runnin' to the altar like a track star
Can't wait another second
'Cause the way you hold me, hold me, hold me, hold me, hold me
Feels so holy
They say we're too young and
The pimps and the players say, "Don't go crushin'"
Wise men say, "Fools rush in"
But I don't know (ah-ah, ah, ah)
They say we're too young and
The pimps and the players say, "Don't go crushin'"
Wise men say, "Fools rush in"
But I don't know (Chance the Rapper, ah)
The first step pleases the Father
Might be the hardest to take
But when you come out of the water
I'm a believer, my heart is fleshy
Life is short with a temper like Joe Pesci
They always come and sing your praises, your name is catchy
But they don't see you how I see you, Parlay and Desi
Cross, Tween, Tween, Hesi' hit the jet speed
When they get messy, go lefty, like Lionel Messi
Let's take a trip and get the Vespas or rent a jet-ski
I know the spots that got the best weed, we goin' next week
I wanna honor, wanna honor you
Bride's groom, I'm my father's child
I know when the son takes the first steps, the Father's proud

If you make it to the water He'll part the clouds
I know He made you a snack like Oscar Proud
Suffer it to be so now gotta clean it up
Formalize the union in communion He can trust
I know I ain't leavin' you like I know He ain't leavin' us
I know we believe in God and I know God believes in us
'Cause the way you hold me, hold me, hold me, hold me, hold me
Feels so holy, holy, holy, holy, holy
On God
Runnin' to the altar like a track star
Can't wait another second
On God
Runnin' to the altar like a track star
Can't wait another second
On God
Runnin' to the altar like a track star
Can't wait another second
'Cause the way you hold me, hold me, hold me, hold me
Feels so holy

4. MLK Interlude

I say to you this morning
That if you have never found something
So dear and so precious to you
That you will die for it, then you aren't fit to live
You may be 38 years old as I happen to be
And one day some great opportunity stands before you
And calls upon you to stand up for some great principle
Some great issue, some great cause
And you refuse to do it because you are afraid
You refuse to do it because you wanna live longer
You're afraid that you will lose your job
Or you're afraid that you will be criticized
Or that you will lose your popularity
Or you're afraid that somebody will stab you
Or shoot at you or bomb your house
And so you refuse to take the stand
Well, you may go on and live until you are 90
But you're just as dead at 38 as you would be at 90
And the cessation of breathing in your life is
But the belated announcement of an earlier death of the spirit
You died when you refused to stand up for right
You died when you refused to stand up for truth
You died when you refused to stand up for justice

5. Hold On

You know you can call me if you need someone
I'll pick up the pieces if you come undone

Painting stars up on your ceiling 'cause you
Wish that you could find some feeling, yeah, you
You know you can call me if you need someone

I need you to hold on
Heaven is a place not too far away (far away)
We all know I should be the one
To say we all make mistakes (we all make mistakes)
Take my hand and hold on
Tell me everything that you need to say (need to say)
'Cause I know how it feels to be someone (be someone)
Feels to be someone who loses their way

You're looking for answers in a place unknown
You need the connection, but you can't get close (can't get close)

Painting stars up on your ceiling 'cause you
Wish that you could find some feeling, yeah, you
You know you can call me if you need someone

I need you to hold on (hold on)
Heaven is a place not too far away (yeah)
We all know I should be the one
To say we all make mistakes (we all make mistakes)
Take my hand and hold on (oh, whoa, whoa, whoa)
Tell me everything that you need to say
'Cause I know how it feels to be someone (be someone)
Feels to be someone who loses their way

Midnight 'til morning, call if you need somebody
I will be there for you (I will be there for you)
Midnight 'til morning, call if you need somebody
I will be there for you
I need you to hold on
Heaven is a place not too far away (far away)
We all know I should be the one
To say we all make mistakes (we all make mistakes)
Take my hand and hold on
Tell me everything that you need to say
'Cause I know how it feels to be someone (be someone, ooh, yeah)
Feels to be someone who loses their way

Midnight 'til morning, call if you need somebody
I will be there for you (oh, yeah, yeah)
Midnight 'til morning, call if you need somebody
I will be there for you

6. Ghost

Young blood thinks there's always tomorrow
I miss your touch on nights when I'm hollow
I know you crossed a bridge that I can't follow

Since the love that you left is all that I get
I want you to know that

If I can't be close to you, I'll settle for the ghost of you
I miss you more than life (more than life)
And if you can't be next to me, your memory is ecstasy
I miss you more than life
I miss you more than life
Young blood thinks there's always tomorrow
I need more time, but time can't be borrowed
I'd leave it all behind if I could follow

Since the love that you left is all that I get
I want you to know that
If I can't be close to you, I'll settle for the ghost of you
I miss you more than life (yeah)
And if you can't be next to me, your memory is ecstasy (whoa)
I miss you more than life
I miss you more than life

Whoa-oh-oh
Na-na-na
More than life, oh

So if I can't get close to you, I'll settle for the ghost of you
I miss you more than life
And if you can't be next to me, your memory is ecstasy
I miss you more than life
I miss you more than life

7. Love You Different

I will love you different
Just the way you are
And I will love you different

You pull up in a foreign
You that New York time, easy Sunday morning (Front seat)
When we touch I think we skip a beat (Beep, beep, beep)
It's a movie with you, got me at the edge (Let me see)

There's a beauty on your lips
I drown with every kiss
I'm not used to this
There's nothing I won't give
Don't like making promises
Just remember this
I will love you different Just the way you are
And I will love you different

8. Anyone

Dance with me under the diamonds
See me like breath in the cold
Sleep with me here in the silence
Come kiss me, silver and gold
You say that I won't lose you
But you can't predict the future
So, just hold on like you will never let go
Yeah, if you ever move on without me
I need to make sure you know that
You are the only one I'll ever love
(I gotta tell ya, gotta tell ya)
Yeah, you, if it's not you, it's not anyone
(I gotta tell ya, gotta tell ya)
Looking back on my life
You're the only good I've ever done (ever done)
Yeah, you, if it's not you, it's not anyone (anyone)
Not anyone
Forever's not enough time to (oh)
Love you the way that I want (love you the way that I want)
'Cause every morning I find you (oh)
I fear the day that I don't
You say that I won't lose you
But you can't predict the future
'Cause certain things are out of our control

Yeah, if you ever move on without me
I need to make sure you know that
You are the only one I'll ever love
Only one (I gotta tell ya, gotta tell ya)
Yeah, you, if it's not you it's not anyone
(I gotta tell ya, gotta tell ya)
Looking back on my life
You're the only good I've ever done (I've ever done)
Yeah, you, if it's not you, it's not anyone
It's not anyone, not anyone
Oh, oh, oh, oh
If it's not you, it's not anyone
Oh, oh, oh, yeah, whoa
Yeah, you are the only one I'll ever love
(I gotta tell ya, gotta tell ya)
Yeah, you, if it's not you, it's not anyone
(I gotta tell ya, gotta tell ya) gotta tell ya
Looking back on my life
You're the only good I've ever done (ever done, oh, yeah)
Yeah, you, if it's not you, it's not anyone

9. Red Eye

Hoppin' on the red-eye
Hoppin' on the red-eye
I can rest assured knowing you're on the other end of it
Looking forward to the descent, then you're out
See you when I touch down

You're my champagne
You make me pop off everywhere like confetti (yeah)
I know it seems strange
I seen you last night and I miss you already (yeah)
My bed is depressed (depressed)
My pillow's a victim (mhm)
Got me in chills while my hands are sweaty (B-O-I)

And I gotta fly out
Hate you got me strung-out
And I gotta fly out (hey, hey)
Hate you got me strung-out, ohh
Only been ten hours but my sanity is gone

Hoppin' on the red-eye
Hoppin' on the red-eye (oh, oh)
Hoppin' on the red-eye (hey, hey)

Hoppin' on the red-eye (oh, oh)

Got a new job, for a big bag
You better go get it
You'll be gone for a few days, posin' in the heat
I ain't gon' sweat it
I miss your distractions
My touch is in distress
You're just a plane ride away from my permanent visit

And I gotta fly out (ha)
Hate you got me strung-out
And I gotta fly out
Only been an hour but I'm feelin' all alone

You should be hoppin' on the red-eye (right now)
Hoppin' on the red-eye (right away)
I can rest assured knowing you're on the other end of it
Looking forward to the descent, then you're out (whoa, whoa-oh)
See you when I touch down

Na-na-na-na-na, na-na, na-na-na, na-nah (oh, oh)
Na-na-na-na-na, na-na, na-na-na, na-nah (hey, hey)
Na-na-na-na-na, na-na, na-na-na, na-nah
See you when I touch down
(Hey, hey)

Big bag (oh, oh)
Big, big
Big bag (hey, hey)
Big, big
Big bag (T-R-O-Y-B-O-I, oh)

10. Deserve You

When I'm in my thoughts sometimes
It's hard to believe I'm the person you think I am
The person that you tell me you love
I'm on my ten thousandth life
Nine thousand nine hundred nine and it slipped my hands
But this one I'm not givin' up

Night after night, you fall asleep on me
I'm prayin' that I don't go back to who I was

I feel like I don't deserve you tonight

It's in the way that you hold me
I don't deserve you tonight
It's in the things that you showed me
I need you, don't let me go, need you, don't let me go
I feel like I don't de-, I don't de-, I don't deserve you tonight

I can tend to hold things back
I need you more than I let you believe, I do
'Cause you could think it might be too much, oh, yeah
I don't wanna be my past
Oh, when we kiss I'm alive, and I feel brand new
There's nothing that I want more than us (na-na-na-na-na)

Night after night, you fall asleep on me (asleep on me)
I'm prayin' that I don't go back to who I was (oh, no, no, no)

I feel like I don't deserve you tonight
It's in the way that you hold me
I don't deserve you tonight
It's in the things that you showed me
I need you, don't let me go, need you, don't let me go
I feel like I don't de-, I don't de-, I don't deserve you tonight

Somewhere in the sky, the way your body fits on mine
And when you give in to me, so high but I'm fallin' (na-na-na)
And now my eyes are locked on you (yeah)
As you dance around the room (yeah-yeah)
And finally, I'm right where I belong, oh, oh

I feel like I don't deserve you tonight
It's in the way that you hold me
I don't deserve you tonight (I don't deserve you)
It's in the things that you showed me (I can't breathe without you)
I need you, don't let me go (hey), need you, don't let me go
I feel like I don't de-, I don't de-, I don't deserve you tonight

No, I don't, no
(I don't deserve you) Girl, I need you
I can't breathe without you

11. Oh My Face

One touch and you got me stoned
Higher than I've ever known
You call the shots and I follow
Sunrise, but the night still young

No words, but we speak in tongues
If you let me, I might say too much

Your touch blurred my vision
It's your world and I'm just in it
Even sober I'm not thinkin' straight

'Cause I'm off my face, in love with you
I'm out my head, so into you
And I don't know how you do it
But I'm forever ruined by you, ooh-ooh-ooh
Can't sleep 'cause I'm way too buzzed
Too late, now you're in my blood
I don't hate the way you keep me up

Your touch blurred my vision
It's your world and I'm just in it
Even sober I'm not thinkin' straight

'Cause I'm off my face, in love with you
I'm out my head, so into you
And I don't know how you do it
But I'm forever ruined by you, ooh-ooh-ooh

Ooh, ooh-ooh, ooh-ooh-ooh-ooh
Ooh-ooh-ooh
Ooh, ooh-ooh, ooh-ooh-ooh-ooh
Ooh-ooh-ooh

'Cause I'm off my face, in love with you
I'm out my head, so into you
And I don't know how you do it
But I'm forever ruined by you, ooh-ooh-ooh

By you, ooh-ooh-ooh

12. Unstable

Uh-uh, uh-uh, unstable
Sometimes I think I overthink (think I)
And I start to feel anxiety (anxie-)
There were times I couldn't even breathe (mmm)
But you never once abandoned me (no, you never, ooh)

I tried to scare you, scare you away
Showed you the door, you adored me anyway

When I was broken in pieces
You were my peace of mind
You were my peace of mind

Yeah, you loved, yeah, you loved
Yeah, you loved me when I was unstable
Never judged, never judged

Never judged me when I was unable
To love myself, to trust myself
Yeah, you loved, yeah, you loved
Yeah, you loved me when I was unstable

White knuckles tryna own my sanity (hold my)
Not every wound is the kind that bleeds, uh, uh
Never know when my mind's gonna turn on me (never know)
But you're the one I call for security (oh, baby)

These memories have been toxic (oh)
I tried to wean and get off it (oh)
Through everything, you been my rock
I think you're the only thing I didn't get wrong
Oh, I know God was listening
Every night when I would pray
You're an angel watchin' over me (oh)
All I need

I tried to scare you, scare you away
Showed you the door, you adored me anyway
When I was broken in pieces
You were my peace of mind
You were my peace of mind

Yeah, you loved, yeah, you loved
Yeah, you loved me when I was unstable
Never judged, never judged
Never judged me when I was unable
To love myself, to trust myself
Yeah, you loved, yeah, you loved
Yeah, you loved me when I was unstable

13. Die for You

Ba-ba-da, ba-da
Ba-ba-da, ba-ba-da, ba-da, ba

She's a stranger to the night shift
The type of girl you only dream about
I was lost under the lights, yeah (yeah)
An angel in the flames, she pulled me out

Next time that I g-g-g-g-get her
I'ma tell her in every kind of way (yeah, yeah, yeah, yeah, yeah)

I would walk through burning fire
Even if your kiss could kill me
You know I would die for you
Yeah, I would die for you (yeah, yeah, yeah, yeah)

Pain and passion, my desire
You're the right now and what will be
You know I would die for you
The rest of my life for you
Yeah-yeah-yeah-yeah

I would die for you (ba-ba-da, ba-da, ba)
She's a danger to the mindset
Displaced and stretched it out in every way
Crossin' every line, yeah
T-t-touch base until you find the chemistry
And I know this ain't rocket science
And I never leave the house
Without checking on your first
And begin to wonder

Next time that I g-g-g-g-get her
I'ma tell her in every kind of way (yeah, yeah, yeah, yeah, yeah)

I would walk through burning fire
Even if your kiss could kill me
You know I would die for you (die for you)
Yeah, I would die for you (yeah, yeah, yeah, yeah, yeah)Pain and passion, my
desire
You're the right now and what will be
You know I would die for you (die for you)
The rest of my life for you
Yeah-yeah-yeah-yeah, yeah

Oh, I would die, I would die, I would die
Oh, I would die, I would die, I would die

I would walk through burning fire
Even if your kiss could kill me
You know I would die for you (I would die for you)
Yeah, I would die for you (I would die for you, baby)

Pain and passion, my desire
You're the right now and what will be
You know I would die for you (die)
The rest of my life for you
Yeah-yeah-yeah-yeah, yeah-yeah

Yeah-yeah
Yeah
I would die for you

14. Somebody

Every time I wake up next to you, I talk to God
And I'm so damn grateful
'Cause you make up for all the things I'm not
Didn't know I needed nothing, 'til I needed you ('til I needed you)
In a world that's spinnin', it ain't easy lettin' go
Eight billion people we just lookin' for a hand to hold
Everybody's tryna find someone to hold on to (hold on to)

It's okay, it's okay, we all try to pretend that we're brave
When I'm weak, yeah, I'm strong, 'cause of you at end of the day

Everybody needs somebody (everybody need somebody)
Somebody to remind you that you're not alone
Who gon' defend you like an army (defend you like an army)
And never let go (never let go)
Everybody needs somebody (everybody needs somebody)
Somebody to wake up to when everyone's gone
So if you need me, then you got me (if you need me, then you got me)
I'll be the shoulder you cry on

Everybody needs some-
Everybody needs somebody

Every time I look at you, I'm lookin' at a star
It's the way you light up every room just being who you are
Didn't know I needed nothing, 'til I needed you ('til I needed you, oh, woah)

But before I met you, I never believed in magic
But you stole my heart before anyone knew you had it
I know (yeah, yeah) that you know (yeah, yeah)
What we got, it don't come easy

It's okay, it's okay, we all try to pretend that we're brave
When I'm weak, yeah, I'm strong, 'cause of you at end of the day

Everybody needs somebody (everybody need somebody)
Somebody to remind you that you're not alone
Who gon' defend you like an army (defend you like an army)
And never let go (never let go)
Everybody needs somebody (everybody need somebody)
Somebody to wake up to when everyone's gone
So if you need me, then you got me (if you need me, then you got me)
I'll be the shoulder you cry on

Everybody needs some-
Everybody needs some somebody

15. Peaches

I got my peaches out in Georgia (oh yeah, shit)
I get my weed from California (that's that shit)
I took my chick up to the North, yeah (badass bitch)
I get my light right from the source, yeah (yeah, that's it)

And I see you (oh), the way I breathe you in (in), it's the texture of your skin
I wanna wrap my arms around you, baby, never let you go, oh
And I say, "Oh, there's nothing like your touch
It's the way you lift me up, yeah
And I'll be right here with you 'til the end"

I got my peaches out in Georgia (oh yeah, shit)
I get my weed from California (that's that shit)
I took my chick up to the North, yeah (badass bitch)
I get my light right from the source, yeah (yeah, that's it)
You ain't sure yet, but I'm for ya
All I could want, all I can wish for
Nights alone that we miss more
And days we save as souvenirs
There's no time, I wanna make more time
And give you my whole life

I left my girl, I'm in Mallorca
Hate to leave her, call it torture
Remember when I couldn't hold her
Left her baggage for Rimowa

I got my peaches out in Georgia (oh yeah, shit)
I get my weed from California (that's that shit)
I took my chick up to the North, yeah (badass bitch)
I get my light right from the source, yeah (yeah, that's it)

I get the feeling, so I'm sure (sure)
Hand in my hand because I'm yours
(I can't) I can't pretend, I can't ignore, you're right for me
Don't think you wanna know just where I've been, oh

Done being distracted
The one I need is right in my arms (oh)
Your kisses taste the sweetest, with mine
And I'll be right here with you 'til the end of time

I got my peaches out in Georgia (oh yeah, shit)
I get my weed from California (that's that shit)
I took my chick up to the North, yeah (badass bitch)
I get my light right from the source, yeah (yeah, that's it)

I got my peaches out in Georgia (oh yeah, shit)
I get my weed from California (that's that shit)
I took my chick up to the North, yeah (badass bitch)
(I get my light right from the source, yeah, yeah)

I got my peaches out in Georgia (oh yeah, shit)
I get my weed from California (that's that shit)
I took my chick up to the North, yeah (badass bitch)
I get my light right from the source, yeah (yeah, that's it)

I got my peaches out in Georgia (oh yeah, shit)
I get my weed from California (that's that shit)
I took my chick up to the North, yeah (badass bitch)
I get my light right from the source, yeah (yeah, that's it)

16. Loved By You

I bought a castle in France
And it's the same one I built in the sand for you
When I was two
I thought I painted a picture of heaven

But it turns out it's just your room, just your room
I'd run off the end of the earth just to see if you'd catch me
When I know you'd let me fall every time

is wish that I could change myself
I wish that I could change my-
(All I do) is wait around and hate myself
Oh, I hate the way I need to be loved by you
I wish that I could change myself
I wish that I could change my-
(All I do) is wait around and hate myself
Oh, I hate the way I need to be loved by you

I need to be loved by you
I need to be loved by you
I need to be loved by you
I need to be loved by you

I remember when we started datin'
The only ting that you and me was chasin'
The kinda lovin' that they couldn't play with
You know my lovin' is a everyday ting, baby
And when we in different places
Textin' and messagin' and talkin' crazy
When I'm with you, I feel like it's a daydream
That's how I know that you would always be my baby

is wish that I could change myself
I wish that I could change my-
(All I do) is wait around and hate myself
Oh, I hate the way I need to be loved by you
I wish that I could change myself
I wish that I could change my-
(All I do) is wait around and hate myself
Oh, I hate the way I need to be loved by you

I walked a thousand miles
I've opened every door
It's not enough, it's still your love I'm always lookin' for
It's just the way I'm wired
Whether I'm wrong or right
I've only got one thing on my mind
I need to be loved by you
I need to be loved by you
I need to be loved by you (you)
