

CHAPTER V

CONCLUSION AND SUGGESTION

This chapter provides conclusion and suggestion. After analyzing the social conflict in Cory Taylor's novel "Me and Mr Booker", the researcher makes some conclusions and suggestions as follows:

A. Conclusions

Based on the analyzing of the data about social conflict in Cory Taylor's novel "Me and Mr Booker" on the discussion, the research concluded that the kinds and causes of social conflict happened in the novel. The research found three kinds of social conflict are used in the novel. They were 7 conflict involving social position, 6 conflict of interest, and 6 role conflict. The causes of social conflict happened for character and another in the research. The researcher has found causes of social conflict were relation, condition, violence, immolation of the character in the research. The causes are happened in Martha because relation between Mr Booker and the character in the world of magician.

B. Suggestions

Based on the conclusion above, the researcher suggests to:

1. The student especially for English Students Department should study more about sociology, because sociology is the basic introduction to communication in relation with humans.
2. The teacher and educator should give the student experiences and material

about social conflict especially of novel in learning literary work. So, the student can realize how important of social conflict concept to be implicated in social life.
