

CHAPTER V

CONCLUSION AND SUGGESTION

This chapter presents the conclusion of the study and the suggestion for the English teacher, students and the next researcher

A. Conclusion

Based on the finding above, The result of the research shows that there are three characters personality, such as sensitive, unrealistic and pessimistic. Then there are fifteen main character's personality based on Abraham Maslow. The research contains of self actualization, esteem needs, belonging needs, safety needs, physiological needs. Furthermore, the purpose of the study is to know how the main character's personality portrayed in this novel and to know how the main character's personality is viewed from Abraham Maslow's theory of motivation. Abraham Maslow theory is first physiological need this is basic it includes the need for eat and sleep, Cynthia need for eat and need sleep to make her become fresh and forget the problem. Second safety need is a need to be free from physical danger and to be secure. Example when Cynthia always get terror from the step mother. Third, the love and belonging need are needs to feel a sense of belonging and acceptance. Every human need to express her ability to other in addition. Cynthia need to love and be loved from the sincere people such as her aunt "Tess" and her husband "Terry". The last is a need for self actualization. It becomes the first aspect of human being, like the need for to achieve one's fullest potential things they have. Here

cynthia needs for actualize and achieve one's potential things that she has, because actually she has many potential but unfortunately from the beginning she claim her self that her life isn't meaning, so it's can make her difficult to actualize her self.

B. Suggestion

Based on the conclusion above, the researcher would like to give some suggestion to English teacher, to the students, and to the next researcher.

1. For the English Teacher

Being a good teacher is not an easy effort. This is because English is not an easy subject. So, that the teacher will have references to face characteristic of the students

2. For the Students

The researcher hopes, this research can help the students to improve some knowledge of characteristics of the people by reading novel.

3. For the next researcher

The result of this reseach can be hopefully used as a reference for the next researcher who is interested in "Pscyological analysis of main characters in Novel
