

## CHAPTER V

### CONCLUSIONS AND SUGGESTIONS

In this chapter, the writer gives the conclusion as the result of the study. After analyze the movie, the writer tries to take conclusion based on the analysis above. In addition, the writer also presenting some suggestions for the next writer who intends to do the similar.

#### A. Conclusion

After conducting this research, the writer has made some conclusions related to the personalities of Erin Gruwell, strategies used by Erin Gruwell to teach her students and the implication this movie in relation to education.

1. Erin Gruwell as the main character of this movie has some personalities.

They are patient, optimist, creative and active. The writer concludes that Erin Gruwell is protagonist character in this movie because she has good personalities. Erin Gruwell personalities make the story interesting. Because of she has those personalities she can teach and motivate her students to learn although she faces some problems and handicap when in teaching and learning process. The writer is inspired by what Erin Gruwell do for her students.

2. The writer finds that Erin Gruwell as a teacher in this movie is used contextual teaching and learning strategy via: recognize students living situations, using a tape recorder, changing seats positions, inviting the students to reveal all of the students life experiences, using games to explore the experience of life, asks students to write down all of their life

experience into a portfolio by writing diary, read the students' diary, giving the appropriate book to the students, sharing together among the teacher and the students and making a book entitled of the freedom writers. Erin Gruwell modifies the strategy used for teaching depending on the materials and the life's situations of the students. She chooses the strategy most likely to help the students interested and motivated to study. Without using the appropriate strategy, the purpose of teaching and learning in this class cannot be reached.

3. *The Freedom Writers Diary* movie has the implication related to education world. The implication of this movie they are teacher should always teach honesty to their students, parents should understand the desire and the ability of their children so that, they don't take a wrong steps in educating their children the students should know that their teacher love them and the students are more able to peace and ability.

### **B. Suggestion**

In this study, the writer recommends some points of suggestion. This for people who like watching movie, it is suggested to criticize any movie they watch. They can get some informations or messages which may bring benefit to our life. Because sometimes movie gives us inspiration to be better and some educates us for something useful. And for teachers, the result of this study may be useful to be conducted in their classroom if they have the same problem as Erin Gruwell faced in this movie. While for students, they could

apply the students' effort of this movie that they change from students who have bad attitude to be good students.
