ABSTRACT

Aliyah, Saidatul. 2023. “*An Analysis on Students’ Speaking Interest of English Club Program at MTsN 1 Kota Kediri*”. A graduating paper. Department of English Language Education. Faculty of Tarbiyah. State Islamic Institute of Kediri. Advisor: (I)Nurul Aini, M.Pd, and (II)Fitriatul Masitoh, S.S, M.Pd.

Keywords: *English Club, Speaking, Interest*

This research analyzes the students' interest in speaking of participating in the English club program at MTsN 1 Kota Kediri. The purpose of this research is to find out students' perception in speaking interest in English club. This research was carried out at MTsN 1 Kota Kediri in the 2022/2023 academic year.

The design in this research is descriptive qualitative. The subject of this study was students who took part in the English Club at MTsN 1 Kota Kediri. There were 18 students as participants. Collecting data in this study was done by observation, interviews, and supported by documentation. Data analysis was done by data reduction, data display, and drawing conclusions. Then, to check the correctness of the data, this study used methodological triangulation.

The result showed that the students' interest in speaking in the English club program can be described in relation to emotions such as enjoying and feeling free to speak English comfortably. Students have a high interest so that they enjoy and are serious in learning, supported by interesting and fun material, a positive environment to support each other that can be a factor in students' success. All three aspects of interest have been fulfilled from students, so they have a high interest and produce extraordinary achievements.
