ACKNOWLEDGEMENT

Bismillahirrohmanirrohiim.

I would like to thank Allah, the Almighty, who gives strength to accomplish this thesis. I also want to express my gratitude to:

1. The Dean of the Faculty of Education of STAIN KEDIRI.
2. The Head of the English Department of the Faculty of Education of STAIN KEDIRI.
3. The Advisors: Dr. Mukhammad Abdullah, M.Ag and Fathor Rasyid, M.Pd who gave valuable inputs in writing this thesis.
4. The Principal, English Teacher and Administrative Staff of MTsLB.A.YAKETUNIS – JOGJAKARTA who helped gather the data.

I feel happy because I can finish this thesis in the end, even though; I need sharp motivation to start writing thesis. Thanks for my husband Sigit Djulianto, who always gives me inspirations, help to write, teach grammar and motivation.

I know that no body perfect in the world, so am I, with all my weakness I need suggest from reader to make this thesis more complete. I hope, this thesis will make teachers for instance English teachers at inclusive education class more varitype method and technique without afraid that disabilities student can not understand the explanation. Disabilities student as like blind student is normal student who just need different way to do.
