

## CHAPTER V

### CONCLUSIONS AND SUGGESTIONS

In this chapter, the writer provides conclusions of the findings and discussion of the previous chapter. The writer also provides suggestions for readers, further research, and musicians who read this research.

#### A. Conclusions

The writer has conducted a study on the message of gratitude in Maher Zain's song lyrics on the album "Forgive Me" by studying the signs in it. Furthermore, the writer concluded that the song lyrics in the Forgive Me album include expressing gratitude by heart, expressing gratitude verbally, and expressing gratitude through actions.

1. In the studied songs in the album Forgive Me, the writer found some denotative and connotative meanings in the lyrics. Myth meaning of each song was generated from the story in each song. Denotative, connotative, and myth meanings that have been found, and these brought the writer to the analysis of gratitude messages which is the main question in this study.
2. Gratitude is actually comes from heart. everything that is in a person's heart cannot be proven true through his words or action because it could be the opposite. Therefore, words of thankfulness and praise, and actions done by someone basically cannot measure how much a person

is grateful. Even though, from messages of gratitude in this album, we can learn how to be grateful by our heart, say thank you and praise the giver, and do actions that can represent our gratitude in order to give appreciation to the giver of favors. In the album *Forgive Me*, the writer has found messages of gratitude as follows:

- a. In the song *Number One for Me*, there is shown gratitude by heart for having that kind of very good mother and everything he learned from her, then manifested by his action to educate his child well in his old age as his mother did.
- b. The song *I Love You So* represents gratitude through heart, words, and actions. The lyrics describe the feeling of gratitude in the heart for having the precious love of God and said the grateful feeling to Him then manifests them through dedicating everything only to Him.
- c. In the song *My Little Girl*, there is delivered expression of gratitude by heart because of the little girl's birth and then manifests it through action in the form of raising the child well to please God.
- d. The lyric in the song *Forgive Me* describes someone's regret for mistakes made repeatedly. The lyric "Forgive me... My heart is so full of regret" indirectly shows the gratitude for realizing God's guidance and mercy, then manifests it in the act of asking for forgiveness and the determination to repent.

- e. The lyric in the song Paradise shows the expression of gratitude through inner feeling, namely good feeling because of being in a place of God's favor called Paradise. The other lyric shows the expression of gratitude verbally by saying thanks to God.
- f. The whole story in the song So Soon indirectly shows how to be grateful by inner feeling and manifest it through actions even after losing something that means a lot to us, because their previous existence was also a gift for us.
- g. In the song Guide Me All the Way, expressions of gratitude by inner feeling and by action are indirectly delivered in the whole story of the song. The lyricists taught that every word of thank you and even lots of worship are not enough to be called the best service for all of God's blessings. The song indirectly shows the feeling of gratitude for God's guidance as one of the blessings.
- h. Lyric in the song Freedom delivers an expression of gratitude verbally for God's help. The lyric "Standing firm together Against oppression holding hands" shows how people manifest their gratitude through action in fighting for the freedom to get back their land as a test from Him.

The resulting study of the gratitude messages in Maher Zain's song lyrics in Forgive Me album which is presented by the writer has

been linked to sources such as the Qur'an, journals, and articles related to research topics from reliable sources.

## **B. Suggestions**

After the study of messages of gratitude in the lyrics of Maher Zain Song in the album Forgive Me was conducted, I as the researcher have many suggestions for readers, further research, and for the musician, namely:

1. The writer suggests to the readers, especially those who love to listen to songs, to use them not only for entertainment or relaxation but also positive take lessons from the lyrics.
2. For the next researcher who chooses the same topic, the writer suggests you to use more sources to create new findings and share them with others. You may try to use the semiotic theory of Roland Barthes in your study.
3. The writer has a suggestion for musicians to be more selective in writing songs. Songs containing positive values are better for listeners in all age groups. Especially for Islamic musician, creating songs and referring them to the Islamic sources such as Al-Qur'an, hadith, etc is very good and be one way to spread the teachings of Islam.

## **APPENDIX**

I was a foolish little child  
Crazy things I used to do  
And all the pain I put you through  
Mama now I'm here for you  
For all the times I made you cry  
The days I told you lies  
Now it's time for you to rise  
For all the things you sacrificed  
Oh, if I could turn back time rewind  
If I could make it undone  
I swear that I would  
I would make it up to you  
Mum I'm all grown up now  
It's a brand new day  
I'd like to put a smile on your face every day  
Mum I'm all grown up now  
And it's not too late  
I'd like to put a smile on your face every day  
And now I finally understand your famous line  
About the day I'd face in time  
'Cause now I've got a child of mine  
And even though I was so bad

I've learned so much from you  
Now I'm trying to do it too  
Love my kid the way you do  
There's no one in this world that can take your place  
Oh, I'm sorry for ever taking you for granted,  
Ooh I will use every chance I get to make you smile,  
Whenever I'm around you  
Now I will try to love you like you love me  
Only God knows how much you mean to me

2. **Song Title** : I Love You So

I pray to God  
My heart, soul, and body  
Every single day of my life  
With every breath I solemnly promise  
To try to live my life for You  
O Allah! You did revive my soul  
And shone Your light into my heart  
So pleasing You is now my only goal  
Oh I love You so I love You so  
Now I know how it's like  
to have Your precious love in my life  
Now I know how it feels  
to finally be at peace inside  
I wish that everybody knew  
How amazing it feels to love You  
I wish that everyone could see  
How Your love has set me free  
Set me free and made me strong  
O Allah! I'm forever grateful to You  
Whatever I say could never be enough  
You gave me strength to overcome my uncertainties  
And stand firm against all the odds  
My love, my life, my days, my nights, my wealth, my prayers - all for You  
And I swear that I will never put anyone or anything before You

3. **Song Title** : **My Little Girl**

- 

You are a miracle  
You are a blessing from above  
You brought joy to my soul  
And pleasure to my eyes  
In my heart I can feel it  
An unexplainable feeling  
Being a father  
The best thing that I could ever ask for  
Just thinking of you, makes me smile  
Holding you, looking in your eyes  
I'm so grateful for having you  
And everyday I pray  
I pray that you'll find your way  
You know I love you  
I love you  
My little girl, my little girl  
I ask God to bless you,  
and protect you always  
My little girl, my little girl  
You're like a shining star  
So beautiful you are  
My baby girl  
You light up my world  
I pray that I'll get the chance  
To be around and watch you grow  
And witness your first steps  
And the first time when you will call me dad  
I could spend hours watching you  
Ohh you're so innocent, so lovely and so pure  
Oh God I can not express my gratitude  
But I'll raise her good, cause all I want is to please you  
And now I pray, You'll guide her ways forever

4. **Song Title** : **Forgive Me**

I'm about to lose the battle and cross the line  
I'm about to make another mistake  
And even though I try to stay away  
Everything around me keeps dragging me in  
I can't help thinking to myself  
What if my time would end today, today, today?  
Can I guarantee that I will get another chance  
Before it's too late, too late, too late  
Forgive me... My heart is so full of regret  
Forgive me... Now is the right time for me to repent, repent, repent..  
Am I out of my mind?  
What did I do? Oh, I feel so bad!  
And every time I try to start all over again  
My shame comes back to haunt me  
I'm trying hard to walk away  
But temptation is surrounding me, surrounding me  
I wish that I could find the strength to change my life  
Before it's too late, too late, too late  
I know O Allah You're the Most-Forgiving  
And that You've promised to  
Always be there when I call upon You  
So now I'm standing here  
Ashamed of all the mistakes I've committed  
Please don't turn me away  
And hear my prayer when I ask You to

5. **Song Title** : I Love You So  
**Lyricist** : Maher Zain, Bilal Hajji  
**Released Year** : 2012  
**Album** : Forgive Me  
**Label** : Awakening Music
- 

I remember when I first met you  
I felt that God answered my call  
There was that one place I always thought about  
And I just wanted to be there with you  
The place that no eye has ever seen  
The place that no heart has ever perceived  
I had a great feeling inside of me  
That one day I'll be there with you  
And now that we're here feeling so good  
About all the things that we went through  
Knowing that God is pleased with us too  
It's not a dream, this is so true  
Feeling the peace all around  
Seeing things we could never imagine  
Hearing the sound of rivers flow  
And we know we'll be here forever  
The feeling is indescribable  
Knowing that this is our reward  
Do you remember the hard times we went through?  
And those days we used to argue  
But there was not one thing that could bring us down  
'Cause we always had in our minds  
I remember us praying at night  
And just dreaming about this together  
I'm so blessed to have you in my life  
And now we can enjoy these blessings forever  
Paradise is where we are now  
Paradise, a dream come true  
Paradise, O what a feeling!  
Paradise, thank You Allah!

6. **Song Title** : So Soon  
**Lyricist** : Bara Kherigi, Maher Zain & Mohamed El-Kazaz  
**Released Year** : 2012  
**Album** : Forgive Me  
**Label** : Awakening Music
- 

Every time I close my eyes I see you in front of me  
I still can hear your voice calling out my name  
And I remember all the stories you told me  
I miss the time you were around  
I miss the time you were around  
But I'm so grateful for every moment I spent with you  
'Cause I know life won't last forever  
You went so soon, so soon  
You left so soon, so soon  
I have to move on 'cause I know it's been too long  
I've got to stop the tears, keep my faith and be strong  
I'll try to take it all, even though it's so hard  
I see you in my dreams but when I wake up you are gone  
Gone so soon  
Night and day, I still feel you are close to me  
And I remember you in every prayer that I make  
Every single day may you be shaded by His mercy  
But life is not the same, and it will never be the same  
But I'm so thankful for every memory I shared with you  
'Cause I know this life is not forever  
Oh, there were days when I had no strength to go on  
I felt so weak and I just couldn't help asking: "Why?"  
Oh, but I got through all the pain when I truly accepted  
That to God we all belong, and to Him we'll return, oh

7. **Song Title** : **Guide Me All the Way**  
**Lyricist** : **Maher Zain**  
**Released Year** : **2012**  
**Album** : **Forgive Me**  
**Label** : **Awakening Music**
- 

I know that You could easily  
Take away everything You've given me  
And I try to remember  
Not to take anything for granted  
'Cause I know that one day  
Suddenly this will all come to an end  
So my last wish is for You to be pleased with me  
Allah, Ya Allah  
Guide me all the way to Your Jannah  
Ya Allah, Ya Allah  
Don't let me go astray 'cause I need You  
By my side, I wish to be close  
Close to You throughout my life  
Ya Allah, O Allah!  
Be with me all the way  
I know that sometimes I do  
I do forget that my next breath could be the last  
Forgive me 'cause I can't thank You enough  
Forgive me when I doubt Your love  
Now I pray for that day  
When all this stops and comes to an end  
So my last wish is for You to be pleased with me  
Day by day passes  
And I think that my time could be near  
So I pray: O God let this world be in my hands  
And not in my heart  
'Cause soon I'll have to leave it

8. **Song Title** : **Freedom**  
**Lyricist** : **Maher Zain**

*Gathered here with my family  
My neighbours and my friends  
Standing firm together  
Against oppression holding hands  
It doesn't matter where you're from  
Or if you're young, old, woman or man  
We're here for the same reason  
We want to take back our land  
O God, Thank You  
For giving us the strength to hold on  
And now we're here together  
Calling You for freedom, freedom  
We know You can hear our call, oh  
We're calling for freedom, fighting for freedom  
We know You won't let us fall, oh  
We know You're here with us  
No more being prisoners in our homes  
No more being afraid to talk  
Our dream is just to be free, just to be free  
Now when we've taken our first step  
Towards a life of complete freedom  
We can see our dream getting closer and closer  
We're almost there  
I can feel the pride in the air  
And it makes me strong to see everyone  
Standing together holding hands in unity  
Shouting out loud demanding their right for freedom  
This is it, and we're not backing off!  
O God we know You hear our call*
